

March 5, 2010

Greetings Legion Baseball Coaches and Players,

Spokane American Legion Baseball is looking forward to an historic 2010 year! We are the hosts for the 2010 NW Regional at Gonzaga from August 5-9th with a banquet on August 4th. We are also the hosts for the 2010 American Legion World Series at Avista from August 13-17th with a banquet on August 12th

Included in the mailing is the World Series-NW Regional Brochure along with information on April 18th tryouts for the Spokane Bandits, Spokane Blue Devils, Spokane Cannons, Spokane North Stars and Pullman Patriots.

ONE OF THE FOUR SPOKANE TEAMS WILL BE THE HOST TEAM FOR THE REGIONAL AND HAVE AN OPPORTUNITY TO ADVANCE TO THE WORLD SERIES!

We have also enclosed team contact information for the 2010 season for the 29 different organizations that plan to have AA and or A teams. We expect to have over 50 teams this year in our three leagues and about 800 baseball players.

We will host a showcase put on by the Baseball Factory on August 4th at University High School. More details to follow.

Please check out our web site at www.spokanealb.com for further information on the upcoming season. On behalf of President Steve Barge, our officers and Commissioners, we wish everyone a great school ball season and look forward to the beginning of legion baseball in late May.

Best Regards,

Mike Padden

Mike Padden,
Area 3 Commissioner
